## INTRODUCING...

Andrew is one of today's hottest properties in magic in the UK. His modern and fresh personality brings magic to the edge of commercial events and creates incredible memories for those who experience the magic he weaves.

With almost 10 years of professional experience working in over 30 countries around the world for some of the biggest companies and exclusive venues, it is no wonder the image of the magician's white rabbit is being replaced with a cool and popular reputation.

He has headlined in over a dozen theatre and cabaret production shows, blending magic with highly contemporary choreography. Andrew prides himself on being able to stretch the limits of each performance.

With an extensive repertoire that can be **customised** for any event and a keen focus on ensuring that his audiences leave having experienced a unique magical moment, Andrew is the popular choice for numerous corporate and theatrical events.

His magical expertise extends from grand scale **Illusions** to his award winning **Close up magic** presentations. Trade Show product presentations to Corporate hospitality cocktail parties.

His dynamic style was recently showcased at the **'World's Largest Magic Convention'** ever where he was booked to perform for over 5200 magicians from every corner of the globe.

## CLOSE UP MAGIC

Close Up magic is a unique form of entertainment that can have a truly **astounding impact** on the clients or guests at your next important event.

The magic is witnessed in intimate surroundings as Andrew mingles around your receptions or dinner parties introducing himself and acting as an **ice breaker** to proceedings.

These miraculous presentations include making a borrowed ring appearing on a locked chain in a flash or a signed card appearing in an inflated balloon chosen from the centre of the table.

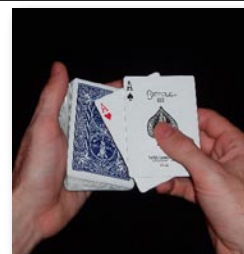

Andrew has also magically produced a £150,000 diamond necklace for a lady celebrating her anniversary as a gift from her husband at their function.

His appearances at several major pharmaceutical trade shows has seen him attracting crowds to the presentation stand giving them **customised product related entertainment**.

The astonishment created by close up magic leaves a lasting impact on anyone witnessing it. It's truly universal language spans internationally and has allowed Andrew to entertain numerous foreign dignitaries without the need for translation.

His award winning performances are designed to create magical memories that will stay with audiences for many years.

**Add those powerful memories to your next important event by putting the magic in professional hands. Andrew Green is the first class choice, when only the best will do...**
